

Saltzgeber Family Farm

2014 Community Supported Agriculture (CSA)

Saltzgeber Family Farm is located in Ontario, Ohio. CSA subscribers receive a box of freshly harvested vegetables once a week during the growing season. All produce is grown on our farm.

Dates: The CSA season begins in early June and lasts until the end of October. Our season is approximately 20 weeks long with a pick up every week from June through October. Occasionally, as weather permits, additional produce may be available in November at no extra charge.

Price: We offer two share sizes: \$350 for the standard box (\$17.50 per week) or \$450 for the large box (\$22.50 per week). The standard box is suitable for a household of two people. The large box option will have one to two additional items and/or larger quantities of staple items. The first (or full) payment is due April 1. If paying in installments the second payment is due June 1.

2014 Pick up locations:

- Alta West Farmers' Market each Saturday between 2-5 p.m.
- 2385 Mercer Avenue, Ontario each Wednesday between 5-7 p.m.
- We will make home deliveries in Ontario on Monday mornings for an additional charge of \$50.00 per share.

Our production techniques: We do not use chemical pesticides, herbicides, or fertilizers on our farm. We follow organic standards of production which include composting, crop rotation, and cover cropping. We attempt to minimize damage from pests, diseases, and bad weather, but accept that damage may occur beyond our control.
